Q4 TRENDING COLORS

For Q4, we will see similar colors to Q3 - but with variations in tone and shade. The color palette will still have rich and deep colors but with lighter pops to lighten up the winter months. Q4 is all about comfort mixed with style so expect warm fabrics with pops of neon.

VELVET SETS

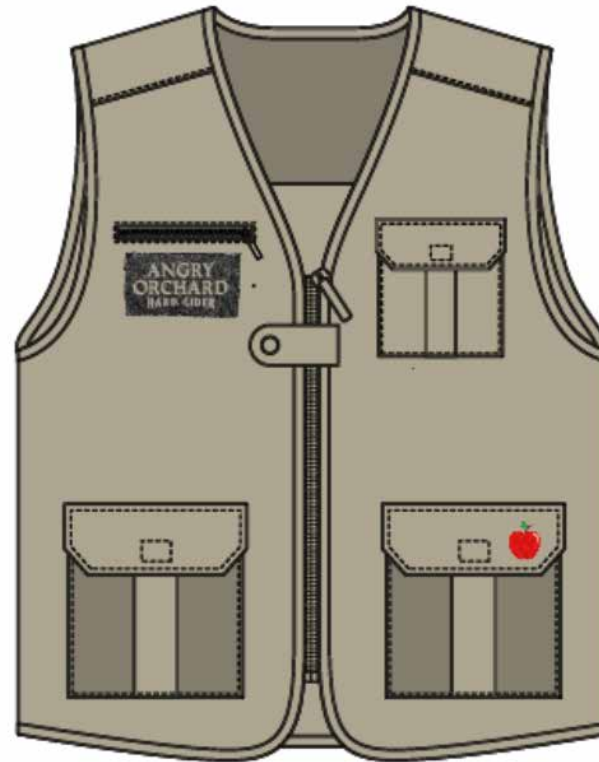

MOQ 600

Matching sets are still in! But we're envisioning them in deep colors using the softest velvet fabric. Elevate your sweatsuits with embroidery, colorful designs, or the perfect color combos.
